MESSAGE FROM THE PRESIDENT

I hope you all had a great summer in our Cuckoo's Nest Subdivision. As this summer comes to an end we look forward to winter activities and a great summer next year. We hope all you have enjoyed yourselves and appreciate your support of your association.

We completed replacement of Common Area 1 Launch pier and the 3 piers with slips. In 2024 Common Area 2 we will start the process for replacement of those piers. You probably have noticed there are life rings at the end of all piers. In addition, we have installed a Kayak Rack. This is your equipment, please use it as necessary and return it to as was or better.

The amenities we have here are for all of us to use and enjoy. The pavilion in Common Area 2 is a "first come first use". A notice to the Cuckoo's Nest Association (CNA) is appreciated for large parties. One exception is the first Monday of the month at 6:00 PM during the summer months. The CNA uses it for our monthly meetings. When using the pavilion and any of the other amenities please keep clean and return to as was or better. If there are any concerns while using our amenities, please contact one of the CNA board members. Visit our website: www.Cuckoosnest.com. You can email us at: Info@cuckoosnestassociation.com.

With fall on the way mark your calendars for our upcoming Halloween night on October 28th.

Your feedback and suggestions are invaluable to us. If you have any ideas, concerns, or proposals, please feel free to reach out to our community association team. We are here to listen and ensure that your voices are heard. As your Community President, I am dedicated to fostering a strong sense of unity and cooperation among all residents. Together, we can continue to make Cuckoo's Nest an exceptional place to live.

Thank you for being a part of our wonderful community. I look forward to seeing you at our upcoming events and working together to create an even brighter future.

Warm regards,
Paul Rippeth
CNA President

LOUISA COUNTY LEASH LAW

Effective July 1, 2022, Louisa County implemented a year-long leash law that applies to ALL dogs except hunting dogs and dogs working on a farm.

Please be cognizant of this and respectful of others when walking your pet within our neighborhood.

COMMUNICATION

The CNA Board will continue communicating future publications and correspondence to the email accounts provided as well as in the Cuckoo's Nest website. Thank you to all who have chosen this mode of communication as it delivers information to residents/lots owners quickly and less costly.

If you do NOT wish to receive correspondence via email, please send that information, in a letter, to Cuckoo's Nest Association, PO Box 207, Bumpass, VA 23204.

COMMON AREA CORNER

COURTESY

As a courtesy to everyone who visits and uses our Common Areas, please remember to always pick up your trash and any other items you brought with you when you leave.

There is no public trash pick up at the Common Areas so any items or trash you leave behind becomes a cleanup chore for those who come after you. Let's all work together, by cleaning up after ourselves and our guests, to keep these areas clean and enjoyable.

Clean and enjoyable goes for our four-legged friends as well. Many Association members enjoy a walk with their pet to the Common Areas, but please remember to take pet waste bags with you and pick up your pet's waste from the Common Areas as well as during your walk to and from the Area. Please help to keep our streets clean.

PARKING

As a community we can all help to maintain the integrity and usefulness of our common areas by remembering to park vehicles in the designated parking areas.

In Common Area II, only golf carts and utility vehicles are permitted to drive on the grass areas and park near the new covered docks. All other vehicles must be parked in the designated parking area. Please refrain from driving cars and trucks on the grassy area. These larger vehicles can damage the grass and soil.

Vehicles (i.e., cars and trucks) are not permitted on the paths around the pavilion and at the beach.

OVERNIGHT PARKING IS NOT PERMITTED WITHIN EITHER COMMON AREA.

Your cooperation in adhering to the posted signs is greatly appreciated by all who use and maintain these areas.

GUEST PARKING

Parking Passes are no longer needed for residents' guests parking in the Common Areas. This is due to the fact that guests can only access the Common Areas by vehicle with the assistance of the resident/lot owner. If you are planning an event where several vehicles will be entering the Common Area at a specified time, please contact the Board of Directors via email at info@cuckoosnestassociation.com; special arrangements may be able to made for gate access for your event.

COVERED BOAT SLIPS

The covered boat slips located at the edge of Common Area 2 are privately owned and maintained by a separate HOA. The dock is for the exclusive use of those owners and their guests.

SAND BEACH, COMMON AREA II

Please limit fishing to the piers and beverage containers to plastic and cans. The use of glass bottles and fishing at the beach are strongly discouraged as broken glass and fish hooks are hazards to those using the beach and swimming area.

PERSONAL ITEMS SAFETY

Please remember that while it is convenient to keep personal items at your boat slip and on your boat this is a Common Use Area used by Association members and also accessible, from the water, by non-Association members. Though we would like to believe that everyone is honest and trustworthy, please be mindful that items stored in a non-secured location may be subject to theft.

Also, please remember to lock your car or truck, while it is parked in either of the Common Area lots.

If you see any suspicious activity around the boat slips, please notify the Louisa County Sheriff's Office at 540-967-1234.

IN CASE OF A POWER FAILURE AT THE GATE

In the case of a power failure the gates are designed to default to an OPEN position. They will not be secured with a combination lock.

If there is a failure to the gates due to a mechanical issue that may require a lengthy time period to fix, the Board will determine the best course to take to ensure the gates are useable for all residents/lot owners. Information regarding how to access the Common Areas, during that time, will be sent to you via email.

ELECTRONIC GATE CARDS

If you are planning on selling your home or lot, please be aware that the Electronic Gate Cards DO NOT automatically transfer. In order for the Board to retain proper records of these cards the current owner MUST relinquish the cards to the Board. The Board will reissue the cards to the new owner along with the proper paperwork and instructions. As you near your closing date, please notify the Board via an email to info@cuckoosnestassociation.com at that you need to turn in your gate cards. The gate card administrator will contact you to make arrangements to turn in your cards.

Thank you for following this procedure so that the new owner receives their cards timely and properly.

BOAT SLIP LEASE TRANSFER AGREEMENT

Included with this newsletter you will find a **Boat Slip Lease Transfer Agreement**. Boat slips on Common Docks 1-7 were originally assigned to lots by Lake Anna Land Corporation (LALC); however, LALC has completed their work within Cuckoo's Nest and thus will no longer be responsible for the assignment and/or transfer of slips. In order to maintain an accurate listing of slips to lots the Board has developed a **Boat Slip Lease Transfer Agreement**, similar to the original Lease Agreement used by LALC. A copy of this Agreement will be included in all POA Packets and is intended to ensure that the assigned boat slip accurately and legally transfers to the new owner with any transfer or sale of property. This Agreement must also be executed if a current lot owner/resident is making a slip transfer with another current lot owner/resident.

Any questions regarding this Agreement can be sent to the Board at info@cuckoosnestassociation.com.

PAVILION USAGE

The pavilion is for use on a first-come first-served basis except for the 1st Saturday morning in June when it is reserved for the Annual Meeting and Elections.

COMMON AREA MAINTENANCE

The Common Areas are for all members of the Cuckoo's Nest Association to use and enjoy. To that end, the Common Area Committee appreciates your help to ensure they are safe and appealing.

If you notice something that needs to be addressed, please email the Board at info@cuckoosnestassociation.com.
